Annual Parental Survey 2018-2019

Dear Parents

This is one of the ways that we canvass parental opinions and perceptions of the school. We always greatly appreciate your comments in this, and a summary of all responses is discussed in detail by the Governors and staff. Your comments and opinions are then brought forward into our annual Strategic School Development Plan (SSDP) which is then agreed by the Governors in the autumn term.

In recent years, responses to the survey have prompted us to review our practice and make positive changes, such as improve and expand our outdoor play facilities. Other examples have been the introduction of further after-school and lunch time extra-curricular clubs, such as the successful girls' football club and our Fitness Friday to encourage healthy lifestyles.

Each question in the survey is followed by a comment box to collect the all-important qualitative data. I would urge you to comment, especially where you have been unhappy or happy about an aspect of school. You can comment on every question, or use the boxes at the end of survey (or both) to summarise what you feel are our strengths and areas for improvement. That way, we can use the information in a constructive manner to feed into future school improvement.

The link to the Rainow School Survey 2019 is:

<https://www.smartsurvey.co.uk/s/RainowSurvey2019/>

Please complete the survey as soon as possible, although you may want to wait until after you have read you children's end of year reports which will be sent tomorrow Fri 12th July, and no later than Sunday 21st July at midnight. Last year approx. 100 out of 150 families took part in the survey. It would be great to think that all of our families have been heard.

School Dinners

This year Cheshire East Catering will send a separate survey in order to address any issues directly.

Yours sincerely,

Mr J D Norris
Headteacher
